

Sisterhood Annual Report

2009-2010

Sisterhood President: Diana Vigil Gitterman

Temple Aliyah's Sisterhood worked diligently to support all aspects of temple programs. We continue through determination to support our Youth Department to make contributions and scholarships to Mazorti camps that include Ramah programs in and around the US and Israel. This year we experienced a record number of applications. We are continuing to look into programs that would incorporate a feeling of community for all members to enjoy. Holiday Boutique and Mishloach Manot were the two successful fundraising projects for the 2009 - 2010 fiscal year. It is Sisterhood's priority to help and support our temple community in times of need.
